A PRACTICAL RECORD FOR THE NEXT PERSON

Keep the reasoning with the result.

Choose one decision your team may need to revisit. Complete this page while the context is still fresh. If someone outside the room can understand the choice and its review trigger, the record is doing its job.

Decision / project

Date

01 / REASONING

What did we choose, and why?

Name the alternatives and the tradeoff that mattered.

02 / OWNERSHIP

Who can revisit it?

Name one accountable owner and a review date.

03 / THRESHOLD

What would change our mind?

Write a signal you can observe and the response it would trigger.

04 / EVIDENCE

What did we know?

List sources, assumptions, and the question still open.

Next review

What will the owner check, and when?
